## Cave Mont d'Or Central Valais, Valais

★ Swiss Wine Memory .

The 250 terraces of the Mont d'or estate, created in 1848 by Sergeant Major François-Eugène Mason is located on the western door to the city of Sion. The Montorge hill is overlooked by the ruins of a castle from the around 1230. The estate was awarded many times for its wines, it is now moving towards a more environmentally conscious viticulture, and continues to take care and enhance the site that made history and contributed to the estate's image.
