- ★ Gault & Millau Switzerland 2018

Excelsus is a family business established in 1980, the estate places the work with the vines and the production at the centre of its concerns. The adequacy between the soils and the grapes, integrated production methods and respect for nature are part of the estates strong values. As far as winemaking is concerned, the estate follows the same line by searching for the typical characteristics of the different varieties produced.
