Domaine du Paradis

Right bank (Mandement), Geneva

★ Gault & Millau Switzerland 2014

The Burgdorfer family and their team will take you on a tour of their estate in the hamlet of Satigny, through the vaulted tasting cellar decorated in the colours of an Indian summer and the beautiful scented garden. The vines are grown here in harmony with nature and the environment, encouraging the aromatic expression of the grape varieties used. The vintages owe their unique character to the gentle, gravelly and molassic terroir.
