The cellar is south of Lugano and the vineyards are divided between Mendrisiotto, Luganese and la Sponda Destra in Sopraceneri. Merlot is the main grape variety, and is produced in many forms and combinations, but the estate also grows varieties which are entirely unexpected for the region, such as Sauvignon Blanc, Arinarnoa and the Petit Verdot. The Cantina Kopp wines are well-known in Tessin, and their reputation is based partly on Balin rouge, a blend of Merlot, Arinarnoa and Cabernet Sauvignon.
