Domaine des Balisiers

Right bank (Mandement), Geneva

Swiss Fine Wine Selection .

The Estate "Balisiers" was named after a tropical flower whose scent is found in the notes of the local terroir wines. The team does not compromise on quality. Only wine from grapes grown organically is vinified on the Estate and the entire harvest is bottled at the property. Each grape variety is grown on the land that suits him best. The vineyards are mainly located on the right bank of the Rhone, in the Mandement area and around the winery in Peney. However, a few acres are planted on the left bank of the Rhone in Plan-les-Ouates and near the Castle of Sierne in Veyrier.
