Although he came from a family of winemakers, Georg Fromm followed an unusual path. After producing his first vintage in the Graubünden in 1970, he moves with his family to New Zealand in the 90s. When he returns to Switzerland, the wines he produces stand out immediately for their elegance and subtlety. This quality is achieved thanks to Georg's passion for his vineyards. From the vine to the development of its wines, he is constantly in search of harmony. Vinotiv Member.
