Weingut zum Twannbach Bern (lake of Bière), Three lakes

★ Gault & Millau Switzerland Rookie

On the estate of Twannbach all generations traditionally have an innovative spirit, which makes them claim proudly: "the work of the winemaker is in our blood". This is their recipe for success. The philosophy of the estate is that wine is a living element; it has his own strength, personality and touch. It is created from the vines, the soil and the weather. It changes depending on how it is left to grow, which means what is inflicted upon it and how it is processed.
