The Meroni brothers dedicate their lives to Merlot. For over 30 years, Marco and Vincenzo have developed quality wines. Today, they own vineyards in line to optimize their work, but also old pergola vineyards, typical of the Biasca region. This type of vineyards requires a manual harvest, guaranteeing that grapes are being picked when ripe. Today the estate offers four barrique wines and one non-barrique. It is a blend of Merlot and Cabernet Franc named Carlo. The other wines are exclusively Merlots from different vineyards.
